CALL FOR CONTRIBUTION

11TH EDITION OF THE REGIONAL COASTAL AND MARINE FORUM

#FOMACO2024

Call for contributions

If you're a conservation professional, a coastal zone actor, a manager in a public institution or a national or international NGO, a young leader, a private promoter, a donor, if you have initiatives, innovations or concerns to share in the sustainable management of coastal zones, the Forum offers you the chance to participate in a series of activities.

It's a unique opportunity to make yourself visible, to present your ideas, your successes and your results to potential donors, decision-makers and conservation professionals who share your concerns.

To this end, a call for contributions is open for the following sessions:

- **Roundtables** - [More information](#)
- **Side events** - [More information](#)

Topics to be addressed must relate to one of the following sub-themes

1. Science, local knowledge and policy for a sustainable coastal zone.
2. Coastal resilience solutions: adapt, mitigate and thrive.
3. Blue economy and marine conservation.
4. Youth, education and engagement for a healthy coastal environment.
5. Coastal zone, peace and security: protecting and restoring for sustainability.
6. Mobilising West African stakeholders to meet the challenges of IMPAC6.

Submission process

If you would like to submit a contribution for the Forum sessions, please fill in the [online form](#) on the [Forum website](#) in **French, English or Portuguese**

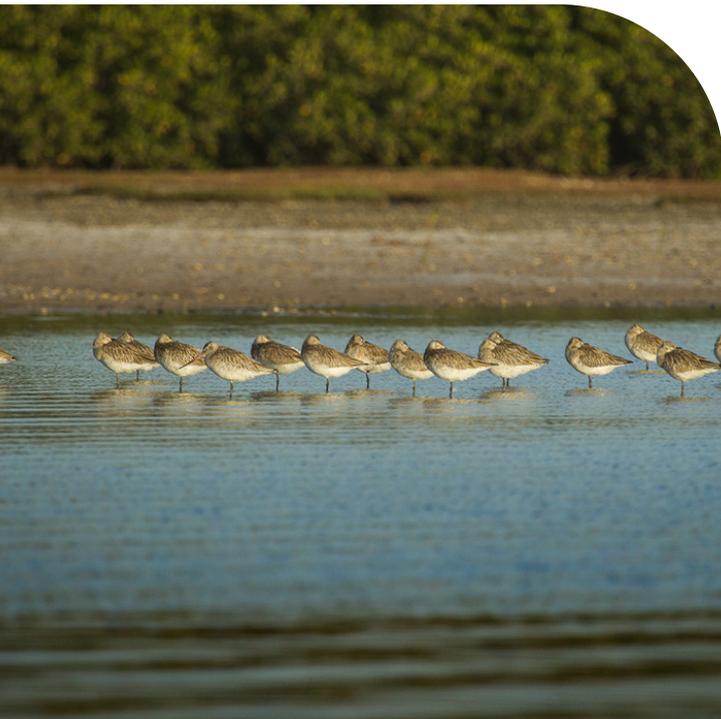

1. Please indicate clearly the type of session to which you wish to contribute.
2. If you wish to contribute to more than one session, please fill in a new form for each session.
3. You may submit one or more contributions on different sub-themes. A separate form must be completed for each session.
4. For side events, please indicate whether it is a learning session, a technical workshop or an organisational fair, and specify the topic to be discussed. It should also be in line with the Forum theme.

Délai de soumission

The deadline for submitting contributions is **Wednesday, January 31, 2024, at 12:00 a.m.**

-

After the Forum's Scientific Committee has analysed the contributions, you will be informed of the outcome of your submission. If your contribution is accepted, you will receive an email confirming the schedule for your presentation and the terms and conditions of participation.
